Instructions for APPLICATION TO AMEND PESTICIDE PRODUCT

DEPARTMENT OF PESTICIDE
REGULATION
PESTICIDE REGISTRATION BRANCH
(916) 445-4400

DPR FORM (11/03)
Page 2 of 2

INCOMPLETE FORMS WILL NOT BE PROCESSED.

If any section does not apply to your product, please mark it N/A. A separate application form must be completed for each product, each product brand name, each alternate formula and each revised formula. If you need further assistance to complete this form, contact the Pesticide Registration Branch at (916) 445-4400.

PRODUCT INFORMATION

1. **Firm Name:** This must be the same as on file with U.S. EPA.
2. **Firm Mailing Address:** Correspondence, licenses, notices, etc. will be sent to this address.
4. **Name of Authorized Official Representative:** The person who is authorized to answer any questions about your application for registration. Generally, this is the person who prepares the application. A letter of authorization is required for consultants.
8. **Brand Name:** This must be **EXACTLY** the same as the brand name registered (or, if applicable, received) by U.S. EPA and the same as on the product. The product brand name cannot be the same as another product with a different formulation. Do not include symbols used in place of words that are part of the brand name (e.g. @, TM, *, (R), etc.).
9. **U.S. EPA Registration Number:** Required unless the product is exempt from, or does not require, registration under the Federal Insecticide Fungicide and Rodenticide Act (FIFRA) such as spray adjuvant. For spray adjuvant, the California Registration Number is required.
10. **Type of California Amendment Action Requested:**
 - * **Addition of sites or uses:**
 - * **Addition of a crop:**
 - * **Addition of indoor use:**
 - * **Adding the first agricultural use for the active ingredient:**
 - * **Adding pests or types of pests not already on the label:**
 - * **Reducing the signal word or the precautionary statements:**
 - * **Other:** Please attach a cover letter explaining the type of registration action requested.

The Amendment Application Package should contain the following:

- | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <ul style="list-style-type: none"> <input type="checkbox"/> A cover letter describing the type of amendment action requested and what is being submitted to DPR. <input type="checkbox"/> The completed "Application to Amend Pesticide Product" form. Make sure your application form is complete and signed. Keep a photocopy for your records. <input type="checkbox"/> The amendment application fee of \$100.00 is required. Make check or money order payable to the Department of Pesticide Regulation. <input type="checkbox"/> Six (6) copies of the product labeling. Typescript labeling may be submitted if printed labels are not yet available; printer's proofs or final printed labels are required prior to issuance of a Certificate of Registration. | <ul style="list-style-type: none"> <input type="checkbox"/> Copy of U.S. EPA - stamped accepted label, if applicable, and one copy of the U.S. EPA Notice of Registration. <input type="checkbox"/> One copy of all data submitted by the applicant to U.S. EPA (if applicable) to support this label amendment request. <input type="checkbox"/> One copy of the data required by California regulations (Title 3 CCR section 6170). <input type="checkbox"/> In lieu of submitting data, applicants may reference appropriate data previously submitted to this office. If the referenced data were submitted by someone other than the applicant, a letter of authorization from the data owner must be submitted. |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
